AUTOMOTIVE MAINTENANCE & LIGHT REPAIR BOWERS/WHITLEY CAREER CENTER

Bowers/Whitley Automotive program offers students the opportunity to learn in a National Automotive Technician Education Foundation (NATEF) certified shop while working towards a career in the automotive industry.

The purpose of our program is to teach the students the theory and hands-on application of the vehicle repair industry. We train students in safety regulations, equipment skills, routine maintenance, and customer service.

Students are supported by an advisory board comprised of multiple dealerships in the Tampa Bay Area including Morgan Auto Group, Lithia Auto Group and Brandon Ford among others. At Bowers/Whitley students can build a career doing something they love. The automotive industry offers many careers and the demands are growing daily.

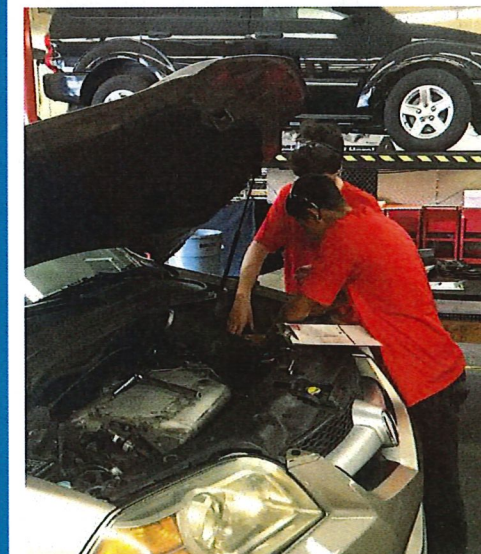

For more information see your program advisor or counselor today!

Student Certifications include:

- Florida Automotive Dealers
 - ASE Entry Level Automatic Trans/Transaxle
 - ASE Entry Level Automobile Service Technology
 - ASE Entry Level Brakes
 - ASE Entry Level Electrical/Electronic Systems
 - ASE Entry Level Engine Performance
 - ASE Entry Level Engine Repair
- And more!

BUILDING CONSTRUCTION BOWERS/ WHITLEY CAREER CENTER

Are you someone that likes to create and build things? Looking for a rewarding career pathway that will make a lasting impact in your community? Building Construction at Bowers/Whitley might be for you.

Students will learn skills of the trade such as masonry, framing, electrical wiring, plumbing, and blueprint reading while working with industry standard equipment. The course offers industry certifications from the National Center for Construction Education & Research (NCCER) and the Home Builders Institute (HBI).

The Building Construction program provides more than job skills. It builds character and self-esteem that will help students develop what they need to succeed on the job and in life.
